1A) digital marketing :-

The 5Ps of digital marketing are simple: product, price, promotion, place and people. All of these factors must work together for your digital marketing strategies to be successful. product: your products or services should be at the heart of all of your marketing efforts.

2A) online public relations:

online public relations marketing is a digital marketing strategy that we use to help businesses gain authority and generate valuable links. we use media pitches to position a client as an industry expert to media contacts; we distribute press releases through the web to announce a client's newsworthy accomplishment or product launch. By using both, clients can build their brand and generate site traffic, each piece of published public relations content provides a name mention and a link back to a client site.
